RE: South Carolina Energy Freedom Act (H.3659) Proceeding to Establish Duke Energy Progress, LLC's and Duke Energy Carolinas, LLC's Standard Offer, Avoided Cost Methodologies, Form Contract Power Purchase Agreements, Commitment to Sell Forms, and Any Other Terms or Conditions Necessary (Includes Small Power Producers as Defined in 16 United States Code 796, as Amended) – S.C. Code Ann. Section 58-41-20(A) -- **Docket Nos. 2019-185-E and 2019-186-E**

Dear Ms. Boyd:

Recently, the South Carolina Office of Regulatory Staff ("ORS") became aware of a scrivener's error in its Proposed Order submitted in these dockets on November 8, 2019. In the second paragraph on page 15 of the ORS Proposed Order, the erroneous sentence reads, "[f]or DEC, the CT Fixed Charge Rate increases from 7.635% per year to 9.931% per year, which increases the avoided capacity cost by 29%. Tr. p. 525.14, ll. 3-5." (emphasis added). The sentence should read, "[f]or DEC, the CT Fixed Charge Rate increases from 7.635% per year to 9.831% per year, which increases the avoided capacity cost by 29%. Tr. p. 525.14, ll. 3-5."

A revised copy of the ORS Proposed Order, revised only to correct this error, is being submitted along with this letter.

Sincerely,

Andrew M. Bateman

Encl.
